

# Sustainability Summary Statistics

Inter Pipeline's 2018 sustainability summary statistics use guidance from the GRI standards:

- **GRI 102:** General disclosures
- **GRI 303:** Water disclosure
- **GRI 305:** Emissions disclosures
- **GRI 306:** Effluents and waste disclosure
- **GRI 307:** Environmental compliance disclosures
- **GRI 401:** Employment disclosure
- **GRI 403:** Occupational health and safety disclosure
- **GRI 404:** Training and education disclosure
- **GRI 405:** Diversity and equal opportunity disclosure

# 2018 Sustainability summary statistics

This document summarizes our key performance indicators we track for sustainability disclosure purposes. It is our goal to expand our data disclosure each year and allow our stakeholders to compare our performance across years. The statistics below represent 2017 data.

We produce a comprehensive report every second year and we post supplementary sustainability performance statistics, like this document, each year. Inter Pipeline's 2017 Sustainability Report references the Global Reporting Initiative (GRI) Standards to align with best practice sustainability reporting and demonstrate transparency and comparability.

## Environment Units 2017

### Greenhouse gas emissions scope 1 & 2

Total direct GHG emissions (scope 1)	tCO <sub>2</sub> e	466,567
Total market-based indirect GHG emissions (scope 2)	tCO <sub>2</sub> e	593,276
GHG emissions intensity	gCO <sub>2</sub> e/bbl,km	0.340
Prevention of GHG emissions due to offgas operations	tCO <sub>2</sub> e	311,002
Total NOx emissions	tCO <sub>2</sub> e	2720
Other standard categories of air emissions identified in relevant regulations	tCO <sub>2</sub> e	1813.17

### Energy

Total fuel consumption	MWh	1,999,920
Total electricity consumption	MWh	761,075
Total steam consumption	MWh	0
Total heat consumption	MWh	0

### Water

Surface water consumption	m <sup>3</sup>	547,917.3
Recycled water	m <sup>3</sup>	2,739,586.5

### Waste

Liquid waste	m <sup>3</sup>	9959.18
Solid waste	tonnes	2,663.19

### Spills and releases

Number of significant spills	Count	1
Volume of significant spills	m <sup>3</sup>	134

### Environmental compliance

Significant fines and non-monetary sanctions for non-compliance with environmental regulations	Count	0
--	-------	---

## Safety Units 2017

### Occupational health and safety/safety performance

Lost time injuries	Count	0
Medical aid injuries	Count	3
First aid injuries	Count	5
Injury frequency rate	Incidents/ 200,000 hours	0.46
	Preventable accidents/ million km driven	1.62

## Our people Units 2017

### Workplace practices

Total employees	Count	751
Total male employees	Count	546
Total female employees	Count	205
Total new hires	Count	91
Rate of new hires	%	12
Total male new hires	Count	60
Total female new hires	Count	31
Total employee turnover	Count	41
Rate of employee turnover	%	5.5
Percentage of employees with performance reviews	%	79.8

### Local communities

Contributions to community initiatives	\$CAD M	2.78
Logged employee volunteer hours	Count	2,236
Investment per employee	\$/employee	3,698

## Economy Units 2017

### Economic performance

All economic performance data is from the relevant Inter Pipeline Annual report for the year represented.

Revenue	\$CAD M	2,260.6
Adjusted EBITDA	\$CAD M	1,149.1
Funds from Operations	\$CAD M	990.6
Net income	\$CAD M	526.7
Cash dividends	\$CAD M	609.9
Capital Spend	\$CAD M	400.5
Total income tax expense	\$CAD M	185.3
Property Taxes	\$CAD M	44.9

### Governance

Governance information is from the relevant Inter Pipeline management information circular for the year represented. 2017 data is from the circular dated March 19, 2018.

Size of Board of Directors	Count	9
Executive Directors	Count	1
Independent Directors	Count	7
Women on Inter Pipeline Board	%	22
Separate Chair and CEO		Yes
Average Board Meeting Attendance	%	99.33
Majority Voting Policy		Yes
Say on pay approval vote	%	96.77
Code of Business Ethics		Yes
Board orientation and education program		Yes
